information. Himmler sought a peace with the Allies in April 1945. He likely would have lost the war. Himmler always saw himself as being out of line to suppose SS would be ordered by his boss to come up with a plan for the rebuilding of post-war Germany and ultimately, the future of Germany. Himmler could then take on the role he

played during the war. However, after the war ended, leading Nazis became instrumental in reviving the Nazi political agenda as well as working to unite

Germany under the Marshall Plan but with a more sinister motivation than the Marshall Plan.
